## PRINCETON TAKES HARVARD'S SCALP

New York, February 15.—Princeton defeated Harvard at St. Nicholas last night in one of the most exciting hockey games of the season by a score of 4 goals to 2. As a result of the reverse, the two teams will meet next Saturday night for the intercollegiate championship.

The victory of the Tiger was largely due to the excellent playing of "Hobey"

Baker and Kilner.
The game was close from start to finish, and was tied at two-all at half time. Baker squared the match with only a minute left in the opening period. For more than half the closing section neither side was able to net the puck. Baker finally effected the count that broke the tie and cinched the battle. The line-up and summary: Princeton. Position. GEORGE F. COVEY LEAVES TO VISIT THIS COUNTRY

London, Pebruary 15.—George F. Covey, world's professional court tennis champion, yesterday left for New York. He is going to the United States to make arrangements for his match with Jay Gould, amateur court tennis champion, which probably will be played in the United States.

## VIRGINIA QUINT HAS GOOD SEASON

Scores Total of 425 Points as Against 160 for Opposing Teams.

ing Teams.

[Special to The Times-Dispatch.]
Charlottesville, Va., February 15.—
The most successful basketbail season at Virginia is drawing to a close, there being but a half-dozen more games on the schedule. After nearly a week's rest, the quint will tackle Wake Forest in the Fayerweather gymnasium on Tuesday night, and on Priday night will go over to Staunton for the annual game with the Virginia Military Institute. On Thursday of next week the squad will leave for its Northern trip, playing George Washington, in Washington, that night, and Catholic University on Friday night. Loyola College will be met in Baltimore Saturday night. The season will end here on March 4, with a return contest with the University of North Carolina.

The Orange and Blue supporters are more than enthusiastic with the pace which their representatives have set since the opening of the season a little over a month ago. Coach Lannigan's system of team development has been vindicated thus far in the superior condition of his men. In the nine games played, the team has not met with a single defeat, and, Judging from past performances, the quintet should go through the season with a clean slate. A total of 425 points have been scored, as against 169 for opposing teams. The record is as follows:

Virginia, 21; Jefferson School, 7.
Virginia, 61; Randolph-Macon, 2.
Virginia, 62; Catholic University, 22.
Virginia, 62; Catholic University, 22.
Virginia, 62; Catholic University, 23.
Virginia, 62; Catholic University, 23.
Virginia, 35; Washington and Lee 35.

Cleveland, Ohio, February 15 .- James A. Gilmore, president of the Federal League, and E. E. Gates, conferred throughout the afternoon with M. M. throughout the afternoon with M. M.
Bramley, who hopes to obtain a Federal League franchise for Cleveland.
The conference was kept as secret as possible. At its close, Gilmore declined to discuss the possibilities of Cleveland's holding a Federal League berth. All that Bramley would say was "We are still firting with the Federal League."
Gilmore was free enough in discussing general matters concerning the league.

ing general matters concerning the league.
"If I rated our present financial strength at \$25,000,000, I would not be far from the truth," he said. "We started the proposition with a determination to carry it out, and we will succeed. We are planning not only for this year and next, but into the future. It will be a fight to the finish."

Sydney, Australia, February 15.—The American athictes to-day won six of the eight championships at the New South Wales meeting. George L. Parker, the California sprinter, captured the 100 and 408 yards dashes; Ruric Templeton, Olympic Club, San Francisco, the pole vaule; Reginal Caughey, of California, the shot putting contest, and Jimmy Powers, Boston A. A., the mile run.

But the real reason for the abolition of this rule is that in the last ten years there has been a marked decline in the physical stamina of the boys, a large percentage of whom are unfit for the games. This decline is regarded very seriously by the governors of the college. That not more than 20 per cent of the juntor boys last term were fit to take part in the school sports is a sign of the physical decline of the wealth-less class in England.

ENGLISH TEAM WIN GAME

London, February 1f -King George and Premier Asquith saw the English fifteen beat the Irish team by 17 points to 12 in the third game of the international rugby football series. The match was played at Twickenham near London, and 20,000 spects to saw the contest.

The first match in the series, palyed January 17, was won by England over Waies, and the second match in Tebruary 7 by Wales over Scotland.

# Certain-teed

Roofing

If the price of Certain-teed is slightly higher than some other roofings-it's the quality that makes a 15-year guarantee possible, for which you pay.

A roof does not have hard usage to contend with. Roofs do not wear out—they dry out. No seemingly scientific test for toughness, tensile strength, pliability or anything else, can give you any indication of the lasting qualities of a roof.

But you have the responsibility of the three biggest roofing mills in the world behind our guarantee label—that is your advance indication of the lasting qualities of Certain-teed.

We use no coal tar in this roofing, because coal tar is of gaseous origin and naturally returns to gas, thus drying out too quickly. Our properly blended asphalts are the result of our quarter century's experience and tests. They are not of gaseous

A Certain-teed Construction Roof

for buildings of the most perma-nent type appeals to architects, engineers and builders as well as to owners.

as to owners.

A Certain-teed Construction Roof is a built-up roof and is the modern scientific process of covering—whether a guble roof or a flat roof with poor draimage.

A Certain-teed Construction Roof does away with the smoky tarpot and as no gravel is used, does not collect dust and the roof is washed clean after every rain. It is a sanitary roof.

Costs more—but worth more. Applied only by responsible roofers.
